participants (trainees):

19 trainers: 5

number of evaluation forms returned:

18

notes:

project manager and trainers did not fill evaluation form)

Results: Number of votes

How would you rate meeting organization?	Poor		Average		Excellent	total number of responds
	1	2	3	4	5	
Overall organization				1	16	17
Meeting announcements/information				1	15	16
Registration process				1	15	16
Site/Location				1	15	16
Accommodation				3	13	16
Meeting rooms and facilities				1	16	17
What was your personal experience in profiling prior to this seminar?	None	<1 year	1-5 years	More than 5 years		
	1	2	3	4		
Amphetamine	11	1	3	1		16
Cocaine	10	2	4	1		17
Heroin	10	4	3	1		18
The meeting achieved the following objectives?	Strongly disagree		Agree		Strongly agree	
	1	2	3	4	5	
Active participation was encouraged				3	15	18
The discussion during the meeting was productive				4	14	18
The meeting program fulfils your expectations				9	9	18
How would you rate the scientific programme?	Poor		Average		Excellent	
	1	2	3	4	5	
Overall quality of presentations on Monday			1	8	9	18
Lecture "statistic in drugs profiling"			1	7	9	17
Supervised work in groups				4	14	18
Overall quality of presentations on Wednesday				9	9	18
Round table discussion on Wednesday				3	15	18

Duration of meeting?	Too short	Appropriate	Too long	
	9	9		18
You are present at the seminar because (more than one answer possible)				
- I wanted to get a training on profiling (personal interest)				16
- It was decided that somebody of my laboratory had to attend (laboratory interest)				13

Results: in %
