Security Workshop in Ljubljana

Contract no: 07SEP1/26/11

To whom it might concerned,

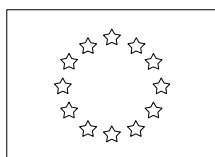

Swedavia as the Contractor for »*Technical assistance for the Implementation of the ECAA agreement in Republic of Serbia*« which is and EC project organized a two days workshop dedicated to the Aviation Security in Ljubljana from 26th to 27th November.

There were 11 participants on that workshop, security managers of the Civil Aviation Authorities, civil aviation companies and representatives of Serbian Border Police.

On the first day there was a seminar conducted by the Slovenian CAD people (Security Department) which presented the Slovenian experiences regarding the Civil Aviation Security emphasizing the process of adopting European Union's standards and regulations. Second day was dedicated to the Airport Ljubljana security documentation, procedures and day to day operational work. Also an airport tour which showed the practical aspects of the work of the Airport Security people and Police was organized.

The Serbian participants and also Swedavia's representatives appraised the quality of the whole event at a very high level, therefore we would like to thank to all of the representatives of the Slovenian Ministry of Transport, Airport Ljubljana, Airport Police and Group 4 who helped in organizing and execution of the workshop.

Especially Swedavia would like to thank to Mr. Ivo Frančič (Head of Aviation Security Division - CAD), Mr. Dušan Sofrič (Security&Safety Airport Ljubljana Manager) Mr. Boštjan Šijanec (Head of International Legal Affairs Standards and Regulation Division – CAD) Mr. Sašo Brcar (Assistant Commander of Station – Police

Directorate Kranj, Airport Police), Mr. Davorin Žibrik (Senior Aviation Supervisor, Aviation Security Division – CAD), Mr. Matjaž Pavovec (Aviation Supervisor, Aviation Security Division – CAD). Mr. Peter Varagić (Police Directorate Kranj, Airport Police)

Special thank to Ms. Sabina Kocjan (Senior Adviser, CAD) who was the main force in organizing the whole event.

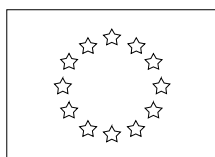

And finally, special thanks to Mr. Mirko Komac (Director of Civil Aviation Directorate) and Mr. Janez Kolar (Member of the Airport "Ljubljana" Management board), without whom the whole workshop wouldn't be possible.

Certainly, due to very high professional level of the Slovenian experts, Swedavia is looking forward to organize more events on the security civil aviation field if only possible or/and invite the Slovenian experts to participate in the future trainings of the Serbian security people which are to be organized in Belgrade in the next two years.

Yours truly,

Dr. Branko Lučovnik
Team Leader

Mr. Col. Gideon Meiry (Ret.)
