

MEDNARODNA VEDENJSKA PRAVILA
INTERNATIONAL RULES FOR CONDUCT
10 FIS PRAVIL
10 FIS RULES

FIS
Smučarska Zveza Slovenije
Ski Association of Slovenia

TEŽAVNOST SMUČARSKIH PROG
DEGREE OF DIFFICULTY

lahka	easy
srednje težava	intermediate
težava	difficult

Smučar je tudi deskar, telemark smučar, "fun carver", tekač na smučeh in drugi. Vsak izmed njih se mora zavedati razlik med njimi in smučati tako, da lahko pravčasno reagira glede na tip in značilnost smuci (alpske smuci, telemark smuci, snowboard, "fun car" smuci ...).
A skier is also a snowboarder, a telemarker, a fun carver, a cross-country skier etc. So each and every skier should be aware and react accordingly to the trajectories of other skiers, taking into particular consideration their type of skis (alpine, snowboard, telemark, fun carving ...).

DODATNA PRAVILA ZA SMUČARJE TEKAČE (HOJA IN TEK NA SMUČEH)
ADDITIONAL RULES OF CONDUCT FOR CROSS-COUNTRY SKIERS

Temeljna vedenjska pravila FIS veljajo tudi za hojo in tek na smučeh, zaradi posebnosti te panoge pa veljajo še dodatna pravila.

1. Signalizacija, smer teka in tehnika teka
Na tekaških progah in smučinah je treba teči v določeni smeri in tehniki ter upoštevati oznake in signale (table z napotki).
Respect for signs, direction and running style
Trail marking signs must be respected on any trail marked with an indicated direction. A skier shall proceed only in that indicated direction and ski in the indicated running style.
2. Izbiro smučin in proge
V primeru dveh ali več smučin je treba teči v skrajni desni smučini. Tekaci v skupinah morajo teči drug za drugim v desni smučini.
Choice of trails and tracks
On cross-country trails with more than one packed track, a skier should choose the right-hand track. Skiers in groups must keep in the right track behind each other. With free running style, skiers shall keep to their right-hand-side of the trail.
3. Prehitovanje
Prehitovanje je dovoljeno po levji ali desni strani. Sprednjemu tekaču se ni treba umikati. Če pa to lahko stori brez nevarnosti, naj se umakne.
Overtaking
A skier is permitted to overtake and pass another skier to the left or right.
A skier ahead is not obliged to give way to an overtaking skier, but should allow a faster skier to pass whenever this is possible.
4. Nasprotni "proneti"
Pri srečanju se morata oba smučarja tekača umakniti v desno. Prednost ima tisti, ki se spušča.
Encounter
Cross-country skiers meeting while skiing opposite directions shall keep to their right.
A descending skier has a priority.
5. Izpraznitve smučin in proge
Kdo se ustavi, mora izstopiti iz smučine/proge. Tudi tekač, ki je padel, se mora kar najhitreje umakniti iz smučine/proge.
Keeping trails and tracks clear
A skier who stops must leave the trail. In case of a fall, he shall clear the trail without delay.
