

Editorial

Dear readers,

The Journal of Criminal Investigation and Criminology has been publishing its fourth issue in English for the twelfth year. The first issue in English was dedicated to the development of criminal investigation in Central and Eastern Europe. Since the first issue in English until today, important contributions from the field of Slovenian criminal investigation and criminology have been presented, and numerous articles by authors from other countries have been published, which enrich our journal that has been published for 76 years. This year, the editorial board invited the guest editor, Assoc. Prof. Katja Eman, Ph.D., to edit the journal issue, which represents a significant upgrade to the previous issues of this year's Journal, as it is one of the richest and thematically diverse issues of the Journal to date. The editors-in-chief thank the guest editor for her efforts and contribution to the development of the Journal.

We would like to thank all contributors and reviewers for their excellent work and contribution to the Journal's quality. We wish the readers of the Journal of Criminal Investigation and Criminology an abundance of pleasure in reading this issue and invite scholars to enrich the future editions of the Journal with their contributions. We suggest to our international colleagues that they spread the good word about our Journal around the world.

Uvodnik

Spoštovani bralci,

Revija za kriminalistiko in kriminologijo že dvanajsto leto izdaja četrto številko revije v angleškem jeziku. Prva številka v angleškem jeziku je bila posvečena razvoju kriminalistike v Srednji in Vzhodni Evropi. Od prve številke v angleškem jeziku do danes smo predstavili pomembne prispevke s področja slovenske kriminalistike in kriminologije, v reviji pa smo objavili tudi številne članke avtorjev iz drugih držav, ki plemenitijo našo revijo, ki jo izdajamo že 76 let. V uredništvu revije smo letos pozvali gostujočo urednico izr. prof. dr. Katjo Eman, da uredi številko revije, ki pomeni pomembno nadgradnjo predhodnih letošnjih številk revije, kajti pričujoča številka revije je ena izmed najbolj pestrih in tematsko raznolikih številk revije doslej. Glavna urednika se zahvaljujeva za njen trud in prispevek k razvoju revije.

Vsem piscem prispevkov in recenzentom se zahvaljujemo za izjemno delo in prispevek h kakovosti revije. Bralcem Revije za kriminalistiko in kriminologijo želimo obilo zadovoljstva pri branju, avtorje pa vabimo, da s svojimi prispevki obogatijo prihodnje številke revije. Kolegom iz mednarodnega okolja predlagamo, da dober glas o naši reviji ponesejo po svetu.
